

30 April 1962

Dear Jim,

I am enclosing properly executed copy numbers 1 and 3 of JM 1930 together with the receipt for copy number 2.

You will note that we have corrected page 1 of copy 1 to indicate incorporation in Delaware not Pennsylvania. Copy number 3 had previously been corrected by your office.

We recommend that Part VI of JM 1921 Schedule - Use of Government Facilities on a No-Charge Basis be added as Part X of JM 1930 Schedule.

We also note that by incorporating all of Section A of the Basic Agreement we have inadvertently made this contract subject to the Renegotiation Act. You will recall we made the same mistake on JM 1921. We have no strong feelings on this item and will accept your judgment whether Clause A 27 should be omitted.

Regards,

A handwritten signature in cursive script, appearing to read "Pete".
